3. We recommend that V. E. Boyce be required to show more diligence in preaching the coming conference year than he has in the past year, or be deprived of his credentials.

4. M. H. Howell having surrendered his credentials, he is hereby declared no longer a member of this body.

5. D. O. Bowen having acknowledged his errors and made suitable amends to this committee, also apologized to the former pastor, and further, having signed a written apology to the church at Bethany, we recommend that his character be passed, conditioned upon his causing no further trouble in the local church during the coming year.

JEROME HODGES,
J. A. CULBRETH,
J. A. WALLACE,
A. E. ROBINSON,
Committee.

Report adopted.

REPORT OF COMMITTEE ON MISSIONS.

Jesus said, "Go ye into all the world and preach the gospel to every creature," Mark 16:15. The Committee on Missions is fully aware of the fact that this command is as obligatory as any other in the Scriptures, and believes that the people of The Pen-

tecostal Holiness Church, generally, wish to do all that they can to fulfil it. We believe that it is not so much a matter of willingness as of method. How shall we spread the gospel so that every creature shall hear it?

1. By having a family altar in every home, and doing all we can to bring our own families to Christ, and praying thereat daily for the foreign mission work that God has committed to our hands.

2. By informing ourselves as to the spiritual conditions surrounding our homes, visiting the people and praying with them as opportunity permits, scattering tracts and sound gospel literature, and doing all that lies in our power to compass their salvation.

3. By reading literature on missions, such as The Pentecostal Holiness Advocate and The Apostolic Evangel, which contain reports from our own missionaries; and also other papers and books dealing with this subject, in order that we may be thoroughly informed and thus able to pray, plan and give intelligently.

We recommend that all of our churches have missionary societies, with a monthly meeting, at which an interesting program is given, and dues paid by the members. Also that all of our pastors and deacons be charged with the duty of taking a part in these meetings.

We recommend that tithing be practised by all of our churches, and that from these tithes the local committee set aside a definite amount to be regularly sent to the General Treasurer for our foreign mission work.

We recommend that the home mission work be made more prominent, and that our preachers do all in their power to go to new fields in our own and other States.

Respectfully submitted,

P. F. ROBINSON,
G. SIGWALT,
F. E. BAUMGARTNER,
Committee.

Report adopted.

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

We, your Committee on Sunday Schools, beg leave to submit the following report. We recommend:

1. That each Sunday school be represented in the district and county Sunday school conventions.

2. That Sunday schools use Pentecostal Sunday School Literature now published; also that superintendents and teachers be

encouraged to subscribe for The Pentecostal Sunday School Magazine.

3. That superintendents and teachers of each Sunday school have a monthly meeting.

G. F. TAYLOR,
W. R. CROW,
A. E. ROBINSON,
Committee.

Rev. H. C. King made an appeal for Bowden's Grove church, giving $5.00 for same.

D. O. Bowen and B. A. Bailey were excused by vote of Conference.

REPORT OF COMMITTEE ON EDUCATION AND LITERATURE.

We earnestly desire of our people that they more fully carry out the recommendation of the past committees, and that they give especial attention to the following suggestions:

1. That they patronize Pentecostal holiness schools.

2. That they subscribe for The Pentecostal Holiness Advocate, The Apostolic Evangel, and The Way of Faith.

3. That they read the Bible daily, also Pentecostal holiness books, and other literature in harmony with the Word of God.

4. In view of the fact that the General Conference took no steps towards the establishing of an Educational Fund for the aid of students preparing for Christian work, but left same with the Annual Conferences, we especially recommend that this Conference establish such a fund.

That we request that the $65.00 raised several years ago be refunded to this Conference by the General Board.

That an offering be taken at this Conference of at least $35.00, in order to bring the amount up to $100.00.

That this Conference raise $100.00 each year, or 10 cents per member, for this fund.

That we adopt the following rules concerning the distribution of this fund:

(a) That the Official Board of this Conference shall decide who may become beneficiaries of this fund.

(b) Each loan to be made for two years, with privilege of renewal for two years.

(c) The rate of interest shall be 6 per cent.

(d) Security must be given, that will be satisfactory with the Official Board.

(e) The loans shall be limited to $50.00 for each student per year.

Respectfully submitted,

JEROME HODGES,
J. H. MARSHBURN,
A. C. HOLLAND,
N. J. MEDFORD,
O. E. CROY,

This Conference, by refusing to adopt or discuss resolutions adopted by the Virginia and Western North Carolina Conferences, puts itself on record against any attempt to change the Discipline during this quadrennium.
